How Qantas Paints A 63 Meter Long Airbus A330, by Justin Hayward; October 25, 2020 ; 3 minute read; Advertisement: Aircraft maintenance and upkeep are a significant part of airline operations, but not something we hear a lot about. Qantas gave us a bit of an insight into this with a post on how they prepare and repaint an aircraft, as this article explores. A330 Qantas's A330 aircraft are ...

How Qantas Paints A 63 Meter Long Airbus A330 - Simple Flying

Typically for Airbus, the A330's pilots interact with its fly-by-wire system via sidestick controllers rather than the yoke traditionally associated with large aircraft. The basic A330-200 and longer A330-300 have been developed into a wide range of subvariants offering revised performance and different maximum take-off weights. The earlier A310 widebody had found favour with several air ...
