While the first novel in the starship mage series could be considered a space opera, it quickly devolved into Hand Damien Montgomery being drawn into one conspiracy after another. In the second book he had to bring down a corrupt planet government and in the third he had to stop a war between two planets.

of Starship's Mage, humanity's only access to light speed travel lies in the hands of the aristocratic magi. With limited contact between the stars, the Mage-King of Mars relies on his most trusted agents to enforce his rule.

Damien Montgomery begins Starship's Mage—the first book, a collection of five novellas—as a newly graduated Jump Mage who quickly becomes a fugitive while protecting the crew of the cargo freighter Blue Jay.

Starship's Mage: Omnibus is the first book in the Starship's Mage series. The book introduces Damien Montgomery, a young man with a special gift. Damien has the ability to see energy in the runes, a gift he thought would earn him a place among the elites in his galaxy. However, Damien has no family connections, so after graduating, he is forced to become a ship mage in a ship that
