I have owned a 1960 M-35 Bonanza (IO-470-C 250 HP) for the last eight years. A good friend owned it for seven years prior to that. Buying a Bonanza with a known history of maintenance and reliability took a bit of the fear away from buying an aircraft that was over 30 years old. I fly this aircraft between 75 and 125 hours per year.

~~Beechcraft Bonanza~~

The Beechcraft Model 35 Bonanza featured retractable landing gear and a signature V-tail. The V-tail of the Beechcraft Bonanza made it both efficient and the most distinctive private airplane in the sky. The V-tail Bonanza was dropped from production in 1982, but more than 6,000 V-tail models still fly today. The yoke and rudder pedals are interconnected by a system
