George Denis Patrick Carlin (May 12, 1937 - June 22, 2008) was an American stand-up comedian, actor, social critic, and author. Regarded as one of the most important and influential stand-up comics of all time, he was dubbed "the dean of counterculture comedians". He was known for his dark comedy and reflections on politics, the English language, psychology, religion, and taboo subjects.

George Carlin - Wikipedia

Morgan Stanley advisor and managing director Adam Carlin is part of a 13-person practice in Coral Gables, Florida, with about \$2 billion in assets--the Belmont/Carlin Group. Advisor Adam Carlin: Young at heart SILVER bullet Jazz Carlin gave her dad a dressingdown over the "lucky" T-shirt which cramped her style on a memorable night.

A memoir from the daughter of George Carlin "a hero to many, but a father to one" --Bill Maher

A perfectly gift-able, perfectly cynical, slipcased omnibus of George Carlin's trademark irreverence -- including bonus never-before-published material For four decades, George Carlin has been one of America's favorite comics, known as much for his willingness to take on taboo subjects as for his absurdist wordplay. As an author, he has proved equally popular: With combined sales of more than two million copies, Carlin's three books of razor-sharp and hilarious observations have topped bestseller lists nationwide. Now, just in time for the holidays, Hyperion proudly collects all three volumes -- When Will Jesus Bring the Pork Chops, Napalm and Silly Putty, and Brain Droppings - into one hilarious omnibus, a slipcased edition that also includes new material.

Experience comedy legend George Carlin as you've never seen him in this collection highlighting his greatest hits and achievements, with a foreword by Lewis Black It is impossible to talk about 20th century comedy without discussing George Carlin. Named the 2nd greatest standup of the 20th century by both Comedy Central and Rolling Stone, Carlin garnered multiple gold records, 4 Grammys, 6 Emmy nominations, and the Mark Twain Prize for American Humor. He was the first host of SNL, appeared on the Tonight Show some 130 times, and acted in beloved films like Bill and Ted's Excellent Adventure and Dogma. Dubbed "the dean of counterculture comedians," George Carlin was an American icon. A perfect introduction for new fans and a worthy addition to the collections of old fans, The Best of Carlin showcases the longevity, range, and--above all--hilarity of the master. Filled with thoughts, musings, questions, lists, beliefs, curiosities, monologues, assertions, and other delicious verbal ordeals, it is drop-dead funny tour through Carlin's mind. More than ten years after his death, Carlin's characteristically ironic takes on life's annoying universal truths remain thoughtful, fearless, and somehow more relevant than ever.

The veteran comic shares some thoughts, musings, questions, lists, beliefs, curiosities, monologues, assumptions, and assertions about the follies of modern life

Three comedic classics in one, by the legendary George Carlin. Includes Brain Droppings, Napalm and Silly Putty, and When Will Jesus Bring the Pork Chops? For four decades, George Carlin has been one of America's favorite comics, known as much for his willingness to take on taboo subjects as for his absurdist wordplay. As an author, he has proved equally popular: With combined sales of more than two million copies, Carlin's three books of razor-sharp and hilarious observations have topped bestseller lists nationwide. Now, for the first time as an ebook, Hachette Books proudly collects all three volumes--When Will Jesus Bring the Pork Chops?, Napalm and Silly Putty, and Brain Droppings--into one hilarious omnibus.

Now in paperback, this posthumous work by an American classic was a fitting last book, an instant bestseller, and a huge success! One of the undisputed heavyweight champions of American comedy, with nineteen appearances on the Johnny Carson show, thirteen HBO specials, five Grammys, and a critical Supreme Court battle over censorship under his belt, George Carlin saw it all throughout his extraordinary fifty-year career, and made fun of most of it. Last Words is the story of the man behind some of the most seminal comedy of the last half century, blending his signature acerbic humor with never-before-told stories from his own life, including encounters with a Who's Who of 1970s celebrity--from Lenny Bruce to Hugh Hefner--and the origins of some of his most famous standup routines. Carlin's early conflicts, his long struggle with substance abuse, his turbulent relationships with his family, and his triumphs over catastrophic setbacks all fueled the unique comedic worldview he brought to the stage. From the heights of stardom to the low points few knew about, Last Words is told with the same razor-sharp wit and unblinking honesty that made Carlin one of the best-loved comedians in American history.

A compilation of three of the popular comedian's irreverent observations about life with more than thirty pages of bonus material.

In Seven Dirty Words, journalist and cultural critic James Sullivan tells the story of Alternative America from the 1950s to the present, from the singular vantage point of George Carlin, the Catholic boy for whom nothing was sacred. A critical biography, Seven Dirty Words is an insightful (and, of course, hilarious) examination of Carlin's body of work as it pertained to its cultural times and the man who created it, from his early days as amore-or-less conventional comedian to his stunning transformation into the subversive comedic voice of the emerging counterculture. Sullivan also chronicles Carlin's struggles with censorship and drugs, as well as the full-blown renaissance he experienced in the 1990s, both personally and professionally, when he became an elder statesman to a younger generation of comics who revered him. Seven Dirty Words is nothing less than the definitive biography of an American master who changed the world, and also a work of cultural commentary which frames George Carlin's extraordinary legacy.

The #1 New York Times bestseller with more than 450,000 copies in print offers up a hilarious and "entertaining" [Chicago Sun-Times] collection of razor-sharp observations -- now available in paperback! Spending more than 15 weeks on the New York Times bestseller list in hardcover, George Carlin, the thinking person's comic, has made it very clear how successful he is at the transition from stage to page. In Napalm & Silly Putty, Carlin's characteristically ironic and hilarious take on life shines through. He asks: How can it be a spy satellite if they announce on TV that it's a spy satellite Why do they bother saying "raw sewage" Do some people cook that stuff In the expression "topsy-turvy," what exactly is meant by "turvy"

A unique illustrated memoir by Sally Wade, the love of George Carlin's life for ten years, THE GEORGE CARLIN LETTERS: THE PERMANENT COURTSHIP OF SALLY WADE is a collection of never-before-seen writings and artwork by the late great comedian (representing at least 1/3 of the text in the book), woven into Wade's beautifully told chronicle of the last ten years of their life together. The book provides a rare glimpse into the man behind the legend. George Carlin wrote to Sally daily--notes, postcard, letters...he even started fights on paper; the title is taken from his very last note, which Sally found propped up on her computer upon returning from the hospital the day he died. One of the greatest love stories ever told...hilariously, until the release of this book, no one but Sally has ever seen this side of George Carlin. And everyone is guaranteed to fall in love with both of them.
