The merits or otherwise of competitive tendering are frequently covered in most text books including the course study guide. Most are based on or taken from Purchasing and Materials Management, Dobler D, Burt D, and Lee L. It was expected that candidates would base their answers on the following or very similar.

~~LEVEL 4 Chartered Institute of Procurement & Supply~~

The model by Dobler and Burt (1996) in Fig. 4 includes different levels of processes, ranging from activities with a strategic focus to

Access Free Dobler And Burt Purchasing And Supply Management

activities with a tactical/operational focus. The tactical/operational purchasing activities are part of the procurement activities, which are in turn part of the supply management activities.
