2.5 Stars Fall For Me by Melanie Marks sounded like a tempting and cute read. The "Free Pass" idea walks a fine line between sleazy and hot, but this story didn't deliver on either side of the line. This story had some cute moments, but it never builds off of them. We never really get to know any of the characters too deeply. I did feel for Riley a bit—the tortured best friend who ...

When the popular Trent suddenly starts to show interest in her, Megan--a devout Mormon and a gifted singer--is alternately thrilled and confused about his attentions.

Jack Valentini isn't my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he's also scruffy, rugged, and rude. He wants nothing to do with a "rich city girl" like me, and he isn't afraid to say so. But I've got a PR job to do for his family's farm, so he's stuck with me and I'm stuck with him. His glares. His moods. His tight jeans. His muscles. His huge, hard muscles. Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character-but it feels too good to stop. And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.

He's back. Not just back in town, but living in the flat right beneath mine. And he looks good enough to eat, which is just one more reason to stay away from him. But I can't resist. The sex is incredible (pretty sure we've shaken the house right off its foundation), but he can't fool me-not this time. A degree in marketing and five years in advertising have taught me that "true love" is a fairy tale used to sell lipstick, diamonds, and perfume. It doesn't exist. He thinks I'm wrong, and he wants to prove it. I think he's crazy, so I dare him to try. It might be the biggest mistake of my life.

#1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...

Who will stand with her when everything comes crashing down?Cassie Peterson lives in an invisible prison of fear, chained by self-doubt and kept guard by a relentless warden-her husband. Cassie finds solace in the waterfalls that she can't explain. Meanwhile, unexpected help in her divorce case comes from Brian Sutton, an attorney at the firm where Cassie works-but what price will she ultimately pay for his assistance?As Derrick's threatening behavior escalates, Cassie questions the choices she has made. Why is she drawn to waterfalls during this chaotic time? How much will her daughter suffer through the custody battle-and can she ever find her way back to forgiveness and a loving God?

Theo MacLeod wasn't supposed to be the one.Tall, dark and handsome suits me just fine, but the cocky grin, know-it-all attitude, and mammoth ego? No thanks. I only hired him so I wouldn't have to sit at the singles table again. It was just pretend.He wasn't supposed to kiss me. My heart wasn't supposed to pound. We weren't supposed to spend the night together--the hottest night of my life. One night turns into a snowed-in weekend away, and even the blizzard of the century can't cool the fire between us. I can't get enough--of his smile, of his body, of the way he makes me feel.We're nothing alike. He's a daredevil, and I'm a nervous Nellie. He's a drifter, and I want to put down roots. He's an opportunist with a checkered past, and I'm a Girl Scout volunteer.But none of it matters when I'm in his arms.I know he's made mistakes. I know his wounds are deep, and he doesn't trust easily. I know he doesn't believe he could ever be enough to make me happy, but he could. All he has to do is stay.

It was the perfect plan.I needed a wife--temporarily--in order to inherit the family business.And she needed a favor--the kind that takes nine months to deliver.We had it all worked out, from the no-touching policy on our wedding night (her rule) to the no-falling-in-love decree (mine). She'd marry me, I'd give her the means to have the baby she'd always wanted, and one year later we'd amicably part ways with no hassle, no demands, and certainly no regrets.After all, Bianca DeRossi and I are experts at infuriating one another--we've been doing it since we were kids. Trouble is, she grew up gorgeous and feisty, and she still knows exactly how to get under my skin.And that wedding night? Well, it doesn't exactly go down hands-free.Then she moves in with me, and I really start to lose my mind. From her sexy little pout to her wicked sense of humor to those meatball sandwiches she makes just because she knows they're my favorite . . . I find myself wanting to break every rule we put in place. Our story was never supposed to end with happily ever after. But call me crazy, I just might be in love with my wife.

Murder Under A Blue Moon Mona Moon is not your typical young lady. She is a cartographer by trade, explorer by nature, and adventurer by heart. But there's a problem. Miss Mona is broke. It's during the Depression, and her application has just been turned down to join an expedition to the Amazon. What's she to do? Perhaps get a job as a department store salesgirl. Anything to tide her over until the next assignment. There's a knock on the door. Who could this be in the middle of the night? Holding a revolver, Mona reluctantly opens her door to a man wearing a Homburg hat and holding a briefcase. "I bring glad tidings. Your Uncle Manfred Moon has died and left you as his heir to the Moon fortune. You are now one of the richest women in the country!" he says. Mona's response is to point her revolver in his face. If the stranger is telling the truth, she will apologize. If he is a fraud, she will shoot him. That's how Mona does things in 1933. Murder Under A Blood Moon Mona is eating breakfast with Jetta Dressler, her personal secretary, and Chloe, her poodle, when she receives a telegram from her friend, Lady Alice Morrell, begging her to come to England. It seems Lady Alice is receiving death threats! Alarmed that her dear friend needs help, Mona gathers her pistol, her steamer trunks, and Violet, her maid, to travel to Merry Old England. Once there, Mona encounters a nemesis she hasn't seen for a very long time. She was lucky once to survive. Will she be as lucky now? Armed with her pistol, courage, and a bag of tricks, Mona is determined to save Lady Alice from harm, even if it means she might die trying. That's how Mona does things in 1933. Murder Under A Bad Moon Mona has inherited a fortune from her uncle and is one of the richest women during the Depression. But there's a problem. Miss Mona is being accused of murdering her neighbor by a corrupt sheriff. Mona has made enemies in the Bluegrass, and the sheriff's been told to make life difficult for her. Why? Because Mona pays good wages to her employees and offers free health care. She even let her miners unionize. Mona is considered a radical and dangerous to some of the other horse owners. They want to be shed of Mona's extreme views. It's too bad someone murdered Judge Landis Garrett, but if the evidence swings around Mona's way—all the better if it sticks many of the locals think. Mona's response is to tell the sheriff and his cronies to go to hell. You want a fight? Well, bring it on! That's how Mona does things in 1933.
