Even if it is so, then Paul Steel's version of Inca Mythology inclines me to state that ancient Incas were great myth-makers and Andean culture has evolved its own unique mythology, offering a way, sometimes even provocative, to understand the world. The Handbook of Inca Mythology contains a short description of ancient Inca and Andean Civilization as well as explains the reason why this culture has almost vanished under the influence of another, Spanish, culture.

Handbook of Inca Mythology - Paul Richard Steele ...

Handbook of Inca Mythology (Handbooks of World Mythology) Paul Steele. This book is for a general audience. It is well written with only occasional use of perhaps overly technical words, for example, chthonic for underworld. It has a very good Index and a list of essential references, at least those that have been published in English.
