Katana is the second book from American author Cole Gibsen. It blends martial arts with the supernatural in a story reminiscent of films such as The House of Flying Daggers and Crouching Tiger, Hidden Dragon, except without the tearful ending.

Cole Gibsen took me on a roller coaster with the first book in this series, *Katana*, and now she's done it again with *Senshi*. Magic, lost love, and ninja- lots and lots of ninja.

Reincarnation rolls out a few more hiccups and alliances are broken and reformed as our samurai try to make sense of the increased attacks on *Raleigh*.

The premise of Katana was unlike anything I have ever read before! It was a real page-turner for me and I instantly fell in love with all of the characters.

Gibsen's characters are unique, and their dark pasts define who they are in a way that's so different and refreshing compared to the other cliched novels out there.
