"An insightful memoir that uncovers unique stories about matters of the heart." —Essence The inspiring New York Times bestseller from Common—the Grammy Award, Academy Award, and Golden Globe–winning musician, actor, and activist—explores how love and mindfulness can build communities and allow you to take better control of your life through actions and words. Common believes that the phrase "let love have the last word" is not just a declaration; it is a statement of purpose, a daily promise. Love is the most powerful force on the planet, and ultimately the way you love determines who you are and how you experience life. Touching on God, self-love, partners, children, family, and community, Common explores the core tenets of love to help us understand what it means to receive and, most importantly, to give love. He moves from the personal—writing about his daughter, to whom he wants to be a better father—to the universal, where he observes that our society has become fractured under issues of race and politics. He knows there's no quick remedy for all of the hurt in the world, but love—for yourself and for others—is where the healing begins. In his first public reveal, Common also shares a deeply personal experience of childhood molestation that he is now confronting...and forgiving. Courageous, insightful, brave, and characteristically authentic, Let Love Have the Last Word shares Common's own unique and personal stories of the people and experiences that have led to a greater understanding of love and all it has to offer. It is a powerful call to action for a new generation of open hearts and minds, one that is sure to resonate for years to come.

An award-winning actress. A soldier's wife. A cancer survivor. A college student. What these women—what all of us—have in common is a need for love: to give it, to receive it, to express its many aspects. Now Andrea Buchanan, who Cosmopolitan called the "girl power guru," follows her first collection, Note to Self, with a new compilation of thought-provoking, illuminating, often poignant essays on love written by some of America's most fascinating and vibrant women. Join author and cancer survivor Kelly Corrigan, describing why her most romantic fantasy now involves sitting on the sofa opening the mail; journalist Giselle Fernandez, sharing why, even though the journey can sometimes end painfully, an adventure in love should never be passed up; Afghanistan war widow Marie Tillman on learning to open her heart again after the devastating loss of her husband, Pat; celebrity stylist Tameka Raymond on the challenges of marrying the rap star Usher in the glare of the public eye; and college student Jaclyn Katz on how her "perfect" traditional family fell apart, and her mother's brother and his partner gave her back the stability that could have been lost forever. These courageous women have portrayed their own innermost emotions and laid bare their own experiences for readers to learn from, laugh at, and lean on.

THE NEW YORK TIMES BESTSELLER "I see my story as a suite of songs that have a magical connection." Let Love Rule is a work of deep reflection. Lenny Kravitz looks back at his life with candor, self-scrutiny, and humor. "My life is all about opposites," he writes. "Black and white. Jewish and Christian. The Jackson 5 and Led Zeppelin. I accepted my Gemini soul. I owned it. I adored it. Yins and yangs mingled in various parts of my heart and mind, giving me balance and fueling my curiosity and comfort." Let Love Rule covers a vast canvas stretching from Manhattan's Upper East Side, Brooklyn's Bedford-Stuyvesant, Los Angeles's Baldwin Hills and Beverly Hills, and finally to France, England, and Germany. It's the story of a wildly creative kid who, despite tough struggles at school and extreme tension at home, finds salvation in music. We see him grow as a musician and ultimately become a master songwriter, producer, and performer. We also see Lenny's spiritual growth—and the powerful way in which spirit informs his music. The cast of characters surrounding Lenny is extraordinary: his father, Sy, a high-powered news executive; his mother, Roxie Roker, a television star; and Lisa Bonet, the young actress who becomes his muse. The central character, of course, is Lenny, who, despite his great aspirational energy, turns down record deal after record deal until he finds his true voice. The creation of that voice, the same voice that is able to declare "Let Love Rule" to an international audience, is the very heart of this story. "Whether recording, performing, or writing a book," says Lenny, "my art is about listening to the inspiration inside and then sharing it with people. Art must bring the world closer together."
