Also of note is that this book is the "original" piano/vocal score of The Music Man, not any of the revivals or film versions (the film version with Robert Preston & Shirley Jones had two versions of "Gary, Indiana," not one; and "Being in Love" instead of "My White Knight"). I'm not sure if those resources are even available for sale.

(Vocal Score). 18 vocal selections from the Broadway classic, including: Gary, Indiana * Goodnight, My Someone * Marian the Librarian * Pick-A-Little, Talk-A-Little/Goodnight Ladies * Seventy Six Trombones * Till There Was You * The Wells Fargo Wagon * Ya Got Trouble * and more.

Chronicles the creation of Meredith Willson's The Music Man-reprinted now as the Broadway Edition Composer Meredith Willson described The Music Man as "an Iowan's attempt to pay tribute to his home state." Now featuring a new foreword by noted singer and educator Michael Feinstein, this book presents Willson's reflections on the ups and downs, surprises and disappointments, and finally successes of making one of America's most popular musicals. Willson's whimsical, personable writing style brings readers back in time with him to the 1950s to experience firsthand the exciting trials and tribulations of creating a Broadway masterpiece. Fresh admiration of the musical-and the man behind the music-is sure to result.

In the 1950s, Meredith Willson's The Music Man became the third longest running musical after My Fair Lady and The Sound of Music: a considerable achievement in a decade that saw the premieres of other popular works by Rodgers and Hammerstein and Lerner and Loewe, not to mention Frank Loesser's Guys and Dolls and Bernstein and Sondheim's West Side Story. The Music Man remains a popular choice for productions and has been parodied or quoted on television shows ranging from Family Guy to Grace and Frankie. Though Willson is best remembered for The Music Man, there is a great deal more to his career as a composer and lyricist. In The Big Parade, author Dominic McHugh uses newly uncovered letters, manuscripts, and production files to reveal Willson's unusual combination of experiences in his pre-Broadway career that led him to compose The Music Man at the age of 55. McHugh also gives an in depth look at the reception of The Music Man and examines the strengths and weaknesses of Willson's other three musicals, with his sustained commitment to innovation and novelty. The Big Parade is packed with new revelations about the processes involved in writing these works, as well as the trials and tribulations of working in the commercial theatre.

Music Theory through Musical Theatre takes a new and powerful approach to music theory. Written specifically for students in music theatre programs, it offers music theory by way of musical theatre. Not a traditional music theory text, Music Theory through Musical Theatre tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on what students will need to master in preparation for a professional career as a performer. Veteran music theatre musician John Franceschina brings his years of experience to bear in a book that offers musical theatre educators an important tool in equipping students with what is perhaps the most important element of being a performer: the ability to understand the language of music in the larger dramatic context to which it contributes. The book uses examples exclusively from music theater repertoire, drawing from well-known and more obscure shows and songs. Musical sight reading is consistently at the forefront of the lessons, teaching students to internalize notated music quickly and accurately, a particularly necessary skill in a world where songs can be added between performances. Franceschina consistently links the concepts of music theory and vocal coaching, showing students how identifying the musical structure of and gestures within a piece leads to better use of their time with vocal coaches and ultimately enables better dramatic choices. Combining formal theory with practical exercises, Music Theory through Musical Theatre will be a lifelong resource for students in musical theatre courses, dog-eared and shelved beside other professional resource volumes.

MAN WITH A LOAD OF MISCHIEF was originally presented off-Broadway in 1966, receiving rave reviews and garnering such comments as: "A solid hit!" and "Perfectly charming!" (New York Times), "Remarkably appealing!" (New York Post), and "Sprightly and ingratiating!" (NY Daily News). Since then this delightful musical has become a classic, seen in many productions throughout the United States and countries across the world. The six-character show has seen four revivals in New York City. RECORD WORLD described the show in this encapsulation: "Set in a Regency England highway inn, it scrambles with surprising little condescension the affairs of a gentleman who isn't a gentleman, a lackey who isn't a lackey, a lady who isn't a lady and a maid who isn't a maiden with grand comic style. But the show's real strength-happily, in this musically stultifying integrated age-lies in its tunes. If anyone would fault the songs for not being integrated, it is because they stand out from the text, as a good song will, and can be recalled after the last bow."Unfortunately the complete piano-vocal score had not been available for purchase until this current publication (2011). This score represents the complete musical, containing every song, every note found in the piano conductor score used in public performances. It includes the Overture, all the songs, scene changes, and miscellaneous cues.

(Five Finger Piano Songbook). 8 big-note arrangements of popular songs from this perennial favorite musical, including: Climb Ev'ry Mountain * Do-Re-Mi * Edelweiss * The Lonely Goatherd * My Favorite Things * Sixteen Going on Seventeen * So Long, Farewell * The Sound of Music.

(Vocal Selections). "This show has guts!" proclaimed Richard Zoglin of Time magazine about this 2012 revival, which won the Off-Broadway Alliance Award for Best Musical Revival. It features music by Michael Gore, lyrics by Dean Pitchford, and book by Lawrence D. Cohen (based on the novel by Stephen King). Our folio features vocal selections for 18 songs from that revival, including: Alma Mater * And Eve Was Weak * Carrie * Carrie (Reprise) * Do Me a Favor * Dreamer in Disguise * Epilogue * Evening Prayers * I Remember How Those Boys Could Dance * In * A Night We'll Never Forget * Once You See * Open Your Heart * Unsuspecting Hearts * When There's No One * Why Not Me? * The World According to Chris * You Shine.
