From first-time homebuyers to frequent hardware store customers, anyone who owns or rents a home will benefit from knowing their way around building and home centers. With the help of this book, purchases will be correct the first time--no multiple trips and returns. You'll learn the difference between drywall screws and deck screws; between faucet washers and neoprene O-rings; and between red wire nuts and blue wire nuts. And that's before we even get to understanding nail gauges and drill bit sizes. If you've ever searched for a home store product on the Internet, you'll understand the value of
