Refrain
May songs of the angels welcome you and guide you along your way.
May the smiles of the martyrs greet your own as darkness turns into day.
Every fear will be undone and death will be no more, as songs of the angels bring you home before the face of God.I.
From the depths I cry to you, O Lord.
Hear the sound of

Fallen Angels may have been recorded at the same session as 2015's moody Shadows in the Night, but its tone is very different.Call Fallen Angels the Nice 'n' Easy to the No One Cares of Shadows in the Night: they're both tributes to Frank Sinatra, but the 2016 album is light at heart.It's filled with songs of love, not heartbreak, and Dylan's band plays the numbers as sweet shuffles that ...

An updated edition of the most comprehensive account of Bob Dylan's Nobel Prize-winning work yet published, with the full story of every recording session, every album, and every single released during his nearly 60-year career. Bob Dylan: All the Songs focuses on Dylan's creative process and his organic, unencumbered style of recording. It is the only book to tell the stories, many unfamiliar even to his most fervent fans, behind the more than 500 songs he has released over the span of his career. Organized chronologically by album, Margotin and Guesdon detail the origins of his melodies and lyrics, his process in the recording studio, the instruments he used, and the contribution of a myriad of musicians and producers to his canon.

Following the success of Shadows In The Night, Bob Dylan's latest album, Fallen Angels, rewrites 12 more American classics. This collection is arranged for Piano and Voice with full lyrics, chord symbols and Guitar chord boxes. These unique versions of standards are essential for fans of Dylan, Sinatra and the Great American Songbook. Dylan demonstrates his ability imbue a song with extraordinary emotional power, bringing new life to the classic lines of writers such as Johnny Mercer and Harold Arlen. Just like Shadows In The Night, Fallen Angels was released to critical acclaim, both for these arrangements and for Dylan's performance. The songs included are: - Young At Heart - Maybe You'll Be There - Polka Dots And Moonbeams - All The Way - Skylark - Nevertheless - All Or Nothing - On A Little Street In Singapore - It Had To Be you - Melancholy Mood - That Old Black Magic - Come Rain Or Shine

The Angels roared out of the 1970s with multi-platinum albums, hits and record-breaking tours. The band was formed by the trio of Rick and John Brewster and Doc Neeson. Songs from their classic albums are as pertinent today as they were when they were released, thanks to John and Rick, the genius songwriting team, who, together with Doc, generated some of the greatest rock ever produced in this country. During the 2000s the Brewsters and Doc fell out and legal battles ensued. Eventually they settled differences and reformed, but Doc was ill and died in 2014. The Angels have since risen phoenix-like, with Screaming Jets front-man Dave Gleeson on vocals. With the Brewsters' twin-guitar attack in full flight and passion and ambitions reignited, they are once again at the top of the rock 'n' roll greasy pole. New albums, sell-out tours, rock festivals with thousands singing every song and roaring the infamous chant during the evergreen "Am I Ever Gonna See Your Face Again". Over the past two years they've regaled long-time associate Bob Yates with the inside story, warts and all. The result is the definitive book about one of Australia's most iconic rock bands.

Paradise Island is a story about James Morgan, a Kansas-bred entrepreneur, and the people who follow in his footsteps. The death of his mother brings him close to his daughter, Lammy. She spends her summer holiday sailing in the Caribbean with him on his ketch, the C. M. Paradine. They meet Ricardo, an Argentine graduate of Iowa State. Ricardo and James put Lammy on a plane to resume her pre-medical courses at the University of Kansas, and together they sail to the Canary Islands. James takes pity on a teenage dance hall orphan and spirits her away from her intended sponsors. Martina learns English and many of James' American ideals as they cross the Atlantic back to his home on Paradise Island. He finds her to be intelligent and falls in love with her. His business prospers. They have two boys. On a sailing holiday they are attacked by pirates. James is killed. Tina escapes with her boys and carries on the business. With the assistance of Lammy, two clever biochemists, a British attorney, and Andrew, a quarter-bred Arapaho cowboy, the company becomes an international giant with headquarters in St.Louis. Andrew, Tina's second husband, and two of their title girls are killed in the bombing of the company's properties by Mid-eastern terrorists who are encouraged by liberal political organizations. After reestablishing the company headquarters in England, Tina takes her two boys on a fishing trip into the Scottish highlands. They meet a recluse Scottish earl. The boys initiate a romance between the earl and their mother. Marrying the earl, Tina takes him for a honeymoon sail on the C.M.Paradine. They and others have a myriad of experiences in the Caribbean chasing a thief who intended to sell to terrorists the company's irreplaceable supply of a lethal material he had stolen.

Since the early 1960s, music fans have found Bob Dylan's spirituality fascinating, and many of them have identified Dylan as a kind of spiritual guru. This book, written by a scholar who is a longtime fan, examines Dylan's mystique, asking why audiences respond to him as a spiritual guide. This book reveals Bob Dylan as a major twentieth- and twenty-first-century religious thinker with a body of relevant work that goes far beyond a handful of gospel albums.

For fifty years, Bob Dylan's music has been a source of wonder to his fans and endless fodder for analysis by music critics. In Counting Down Bob Dylan, rock journalist Jim Beviglia dares to rank these songs in descending order from Dylan's 100th best to his #1 song.

The acclaimed biography—now updated and revised. "Many writers have tried to probe [Dylan's] life, but never has it been done so well, so captivatingly" (The Boston Globe). Howard Sounes's Down the Highway broke news about Dylan's fiercely guarded personal life and set the standard as the most comprehensive and riveting biography on Bob Dylan. Now this edition continues to document the iconic songwriter's life through new interviews and reporting, covering the release of Dylan's first #1 album since the seventies, recognition from the Pulitzer Prize jury for his influence on popular culture, and the publication of his artistic achievements and profound significance. Candid and refreshing, Down the Highway is a sincere tribute to Dylan's seminal place in postwar American cultural history, and remains an essential book for the millions of people who have enjoyed Dylan's music over the years. "Irresistible . . . Finally puts Dylan the human being in the rocket's red glare." —Detroit Free Press

The Poetry and Music of Joaquín Sabina: An Angel with Black Wings is a thoroughly researched exploration of the life, music, and song lyrics of the celebrated Spanish singer-songwriter Joaquín Sabina. Often called "the Spanish Dylan," Sabina has established his own highly poetic space over the course of his forty-plus years as a recording artist. Using selected song lyrics from his fifteen studio and three major live albums, Daniel J. Nappo analyzes Sabina's use of antithesis, simile, metaphor, synesthesia, rhyme, and other rhetorical and poetic devices. Nappo also devotes a chapter to Sabina's ability as a narrator and concludes the book with a comparison of Sabina's best work with that of the American singer-songwriter and Nobel laureate, Bob Dylan.
