They say Bethany Hamilton has saltwater in her veins. How else could one explain the tremendous passion that drives her to surf? How else could one explain that nothing - not even the loss of her arm in a horrific shark attack - could come between her and the waves? That Halloween morning in Kauai, Hawaii Bethany responded to the shark's stealth with a calmness beyond belief. Pushing pain and panic aside, she immediately thought: 'Get to the beach...' Rushed to the hospital, where her father, Ted Hamilton, was about to undergo knee surgery, Bethany found herself taking his spot in the operating theatre. When the first thing Bethany wanted to know after surgery was 'When can I surf again?' it became clear that her unflinching spirit and determination were part of a greater story - a tale of courage and faith that this modest and soft-spoken girl would come to share with the world.

It took real faith and courage to get Bethany back on a surfboard after losing her arm to a shark. In this new four-book fiction series based on the life of surfer star Bethany Hamilton, Bethany and her friends discover God's love and guidance as they tackle the waves that life hands them. Also available: Soul Surfer™ Bible, Ask Bethany, and Rise Above. In Clash, it's a challenge to their tight-knit group when a new girl with a secret crowds Bethany and her friends. Important heart issues lead to difficult decisions. In Burned, Bethany has a run-in with an unpleasant kid on a surf trip to Samoa and discovers something in the Samoan culture that brings healing and forgiveness. (added a return) In Storm, Bethany helps a young family lost on the Hanakapiai Trail. As Bethany's youth group struggles to raise funds for a mission trip, her small act of kindness blesses them all. In Crunch, Bethany meets a little boy at an orphanage in Mexico who must have his foot removed. Concerned by his condition, Bethany makes a promise to the child that threatens her opportunity to surf in a prestigious contest.

She's blonde, brave, and totally determined—she's a gutsy professional surfer who has inspired millions, and her biggest audience is teenage girls. In this devotional, Bethany speaks straight to her soul sisters about letting God lead in the epic ride of life. In this devotional, Bethany shares stories of women to admire, prayers to focus on, and wipeouts to avoid. Girls will hear thoughts on friends, family, faith, gossip, and peer pressure—Bethany covers it all. This book will release in time for the scheduled Spring 2011 launch of Bethany's movie, Soul Surfer, starring AnnaSophia Robb, Helen Hunt, Dennis Quaid, and Carrie Underwood. This re-release is updated with new content, a "Where Is She Now?" page, and journaling spots.

A teenager struggles through physical loss to the start of acceptance in an absorbing, artful novel at once honest and insightful, wrenching and redemptive. (Age 12 and up) On a sunny day in June, at the beach with her mom and brother, fifteen-year-old Jane Arrowood went for a swim. And then everything -- absolutely everything -- changed. Now she's counting down the days until she returns to school with her fake arm, where she knows kids will whisper, "That's her -- that's Shark Girl," as she passes. In the meantime there are only questions: Why did this happen? Why her? What about her art? What about her life? In this striking first novel, Kelly Bingham uses poems, letters, telephone conversations, and newspaper clippings to look unflinchingly at what it's like to lose part of yourself - and to summon the courage it takes to find yourself again.

For fashion journalist Lauren ("LoLo") Scruggs, a short flight to look at Christmas lights turned into a nightmare when she was struck by the plane's spinning propeller blades. As Lauren was rushed to the hospital, the world watched in shock and horror. Several major surgeries and thousands of prayers later, Lauren was still alive. But she had suffered brain trauma and lost her left hand and left eye. And she had to face some incredibly difficult questions: What kind of future will I have? Where is God in all this pain? Will anyone ever be able to love me now? In Still LoLo, Lauren and her family reveal what really happened that night, what Lauren's life is like today, what got them through their journey toward healing, and how they conquered all odds to persevere as a family. Containing exclusive photos and personal stories from Lauren and her family, Still LoLo is a compelling and fiercely beautiful account of faith, determination, and staying true to who you are--no matter what.

Sherrilyn Kenyon's most highly-anticipated novel in the New York Times bestselling Dark-Hunter series since Acheron is here—the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth Just when you thought doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. As the twin to Acheron, Styxx hasn't always been on his brother's side. They've spent more centuries going at each other's throats than protecting their backs. Now Styxx has a chance to prove his loyalty to his brother, but only if he's willing to trade his life and future for Acheron's. The Atlantean goddess of Wrath and Misery, Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay, no matter what it takes. He will join their fellow gods in hell and nothing is going to stop her. But things are never what they seem, and Acheron is no longer the last of his line. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. Yet it's hard to risk your own life for someone who once tried to take yours, even when it's your own twin, and when loyalties are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that wants to consume the entire world? One that wants to start by devouring your very soul?

The gold medal-winning gymnast shares photographs, quotes, and information about her day-to-day life and offers advice on how to stay healthy, look good, and keep strong under pressure.

#1 New York Times bestselling author Nora Roberts weaves together passion and obsession, humor and heart, in a novel of two people opening themselves up to the truth—and to each other. For more than three hundred years, Bluff House has sat above Whiskey Beach, guarding its shore—and its secrets. But to Eli Landon, it's home. A Boston lawyer, Eli has weathered an intense year of public scrutiny and police investigations after being accused of—but never arrested for—the murder of his soon-to-be ex-wife. He finds sanctuary at Bluff House, even though his beloved grandmother is in Boston recuperating from a nasty fall. Abra Walsh is always there, though. Whiskey Beach's resident housekeeper, yoga instructor, jewelry maker and massage therapist, Abra is a woman of many talents—including helping Eli take control of his life and clear his name. But as they become entangled in each other, they find themselves caught in a net that stretches back for centuries—one that has ensnared a man intent on reaping the rewards of destroying Eli Landon once and for all.
