~~The U S A Customs~~

The United States Customs Service was an agency of the U.S. federal government that collected import tariffs and performed other selected border security duties. In March 2003, as a result of the homeland security reorganization, the U.S. Customs Service was renamed the Bureau of Customs and Border Protection, and most of its components were merged with the border elements of the Immigration and Naturalization Service, including the entire U.S.

The United States imposes tariffs or "customs duties" on imports of goods, being 3% on average. The duty is levied at the time of import and is paid by the importer of record . Individuals arriving in the United States may be exempt from duty on a limited amount of purchases, and on goods temporarily imported (such as laptop computers) under the ATA Carnet system.

Customs

As goods streams through the various ports of entry, Canada and the United States Customs administer the classification of goods and collection of any applicable duties. Customs duties are among the oldest and most important sources of revenue

U.S. Customs commonly demands that you first pay an AD/CVD deposit, assuming that your products are within the scope of the AD/CVD petition, and then Customs will return your deposit only if you get a Department of Commerce (DOC) ruling that your products are actually outside the scope. For example with aluminum extrusions from China, the DOC has received around a hundred scope ruling requests ...
