At \$699, the iPhone 11 covers most shoppers. It has superb battery life, a big 6.1-inch screen and two cameras (the regular wide angle and a superwide angle ...

Traces the history of money and discusses stocks, bonds, mutual funds, futures, and options.

Covers banking services, credit, home finance, financial planning, investments, and taxes.

Your Road to Lifelong Financial Independence It's about time you felt empowered to better manage your money because in tough economic times more than ever your financial freedom depends on making smart choices. But it's hard to know where to begin, especially when you're just starting out. And of course, it only gets more complicated as you go through life: How do you establish good credit? Do you buy or rent? What kinds of health coverage do you really need? How do you actually stay afloat in an uncertain market? The Wall Street Journal Guide to Starting Your Financial Life gets you off on the right financial foot, from tackling everyday choices like cell-phone plans and pet ownership to big decisions such as smart investment strategies and buying a car or a house. You'll learn: How to open your first checking and savings accounts, get your first credit card, and establish good credit The ins and outs of starting a job, including information about taxes, choosing health insurance options, and saving for retirement How to budget for big purchases and expenses, such as paying off student loans, buying a car, and affording your housing Strategies for buying the little things you want and need without going broke The basics of investing, how to manage an inheritance, and the documents you need to protect your assets This valuable resource puts you in the driver's seat, so you will be in control of your money and on your way to achieving lifelong financial independence across any economic terrain.

Almost Everything You Need to Know About Leading the Good Life Too many decisions. Too many choices. What today's smart consumer must have is a money-and-time-saving guide for conducting the both the big challenges, such as getting top-notch health care for the family and the best education for the kids, and the pleasurable ones, like plotting the family summer vacation. Nancy Keates and her expert colleagues at The Wall Street Journal provide all-new material that gives the lowdown on: The Savvy Traveler: How to cut to the chase and not only avoid the indignity of cramped plane seats and overpriced tickets, but also get the best and safest seats at the same time. The Fine Art of Dining and Drinking: Landing the hottest table in town at a discount; picking wine without becoming a wine snob; and learning about the newest, hottest beers. How to Speak Geek: Demystifying tech trends, with smart advice on not only what high-tech gadgets to buy but how to shop for them. Everything You Need to Know About Buying, Selling and Financing a Car: How to get the best and safest vehicle at the best price. Real Estate: Will the bubble burst? Here's how to be an informed buyer and seller along with the basics of remodeling and designing your home. How to Be an Informed Patient: Choosing a hospital, playing private investigator with your M.D., and learning about the tests you really ought to have (even if you have to pay for them yourself). Getting Real Bang for Your Education Bucks: What you need to know from preschool through college and graduate school. The Great Balancing Act: Managing work and family, and finding out how to avoid the overstretched child and parent syndromes. Financing Your Life: It was easy in the 1990s, but the world has changed dramatically. Here's how to deal with the new world of saving, investing and borrowing money. Shopping: The New Sex? Throw away your Kama Sutra. The number one thrill in shopping is getting a good deal! Here's how to play the game and get the best stuff at the best price. The Wall Street Journal Guide to the Business of Life is both an instruction manual for living life to the fullest and a fun read about what really matters in the day-to-day. It has all the basic insight and information you need to navigate through life along with hilarious side trips such as and .

Three years after the economic meltdown began, many of us are still reeling from its devastating effects. Maybe you're among the millions of homeowners who fell behind on their mortgages or you lost your home to foreclosure. Maybe you lost your job and have struggled to find a new one, meanwhile struggling with a drastically reduced income. Or perhaps you're one of the roughly 1.5 million Americans filing each year for bankruptcy. Or maybe you emerged from the meltdown relatively unscathed, but you've been recently divorced or widowed. Now, along with all the other accompanying emotional hardships, you must deal with a household budget that is dramatically changed. Maybe you experienced an unexpected health crisis that drained your savings or retirement account. Or perhaps you've simply grown tired of having so much debt. As tough as these situations are, they aren't hopeless. You have options. When the old no longer apply, you can take control of your situation, wipe the slate clean, and start over. Here, in the accessible, empathetic, and easy-to-understand style the Wall Street Journal Guidebook series is known for, veteran WSJ personal finance reporter Karen Blumenthal walks you through everything you need to know to leave the past behind you and get your financial life back on track. This includes how to: -Build a trusted team of professionals to help you navigate your new financial landscape -Get your credit record - the support beam of your financial scaffolding - back in order -Recalibrate your budget and weigh your big ticket expenses -Determine whether you can afford to stay in your home -Adjust your debts to your new situation -Assess your health coverage and other necessary insurance -Invest for your future retirement and other needs -Craft a sustainable plan for long-term financial health Whether you're recently divorced or widowed, or have declared bankruptcy or lost your home to foreclosure, or simply want to start with a clean slate, you can make a fresh financial start. Covering housing, insurance, health care, investing, debt, taxes, wills, and more, this book shows readers at all life stages and income levels how to adapt and adjust their finances to their new circumstances and get on the path to a better financial life.

The definitive guide for Main Street readers who want to make sense of what's happening on Wall Street, and better understand how we got here and what we need to know to in days to come. Written by seasoned financial writer Dave Kansas, this official Wall Street Journal guide will be filled with practical information, revealing what the crisis means for reader's financial lives, and what steps they should be taking now to inform and protect themselves.

Unravel the Mysteries of the Financial Markets! the Language, the Players, and the Strategies for Success Understanding money and investing has never been more important than it is today, as many of us are called upon to manage our own retirement planning, college savings funds, and health-care costs. Up-to-date and expertly written, The Wall Street Journal Complete Money and Investing Guidebook provides investors with a simple but not simplistic . It breaks down the basics of how money and investing work, explaining: What must-have information you need to invest in stocks, bonds, and mutual funds How to see through the inscrutable theories and arcane jargon of financial insiders and advisers What market players, investing strategies, and money and investing history you should know Why individual investors should pay attention to the economy Written in a clear, engaging style by Dave Kansas, one of America's top business journalists and editor of The Wall Street Journal Money & Investing section, this straightforward book is full of helpful charts, graphs, and illustrations and is an essential source for novice and experienced investors alike. Get your financial life in order with help from The Wall Street Journal.
