It's been a long time since I've read one of her stories but now I'm already on the ARC of Traitor Born as I can't stop anymore! I have to thank Michelle Chen as she recommended this book when I was busy with the "Bests of 2017" challenge. I looked into it and the blurb plus the gorgeous cover had me immediately buying the book.

Review: Secondborn by Amy A. Bartol – Beware Of The Reader
Traitorborn is the second book in the series and flows better than the first. Readers are already familiar with the political systems, players, and Roselle's role as a pawn who is capable of playing both sides and deciding her own fate. She develops a stronger bond with Reykin and he becomes a potential third love-interest.

That day comes when she meets a young Etharian soldier named Trey Allairis, who has been charged with coming to Earth to find Cricket and transport her to her true home. As danger draws close, he must protect her until she can wield the powers she cannot use on Earth...and he soon realizes that counting a galaxy of stars would be easier than losing this extraordinary girl. As conspiracies rage in the war for Ethar, Cricket's so-called allies want to use her as a spy. Even those held closest cannot be trusted--including Astrid, her sister, and Giffen, a member of a mysterious order with a hidden agenda. But Cricket's resolve will not allow her to be used as anyone's pawn, even as the Brotherhood sharpens its plans to cut out her heart. As the destiny prophesied by her mother approaches, Cricket will backtrack through her fiery future to reshape it. For she knows one thing above all else: the only person she can truly count on is herself.
