I must say that the Quick Reads format is absolutely perfect for a crime thriller! Wrong Time, Wrong Place drew me in straight from the start and didn't let me go until the last page. As the story is condensed into 100 pages, the thrill of the chase is almost non-stop. I read the whole book in around an hour and was totally gripped throughout.

Bombardment Divisions on 14 October 1943. On this day, the Eighth Air Force lost air superiority to the German Luftwaffe in a continuous air battle that lasted over three hours. Many refer to it as the greatest one-day air battle of World War II. Wrong Place, Wrong Time is a study of the 1st Bombardment Division and specifically the 305th Bomb Group on that fateful day.
